

A-SAFE

Wall Buffer

A wall-mounted buffer to provide space-saving protection against impacts from hand propelled items such as multi-shelved goods trolleys or hospital patient trolleys.

Durable, resilient and highly visible, it prevents dents and scuffs, and maintains the appearance of structures and surfaces.

Workplace Safety
Barriers

Engineered for performance

○ **Ultra-low maintenance material** is chemical and water resistant, non-corrosive, non-scratch and self coloured so no repainting, rusting, flaking or corrosion.

○ **Self coloured and UV stabilised** for continued high visibility and long lasting aesthetics with no repainting.

○ **Low and high level protection** from bumps and scrapes, can be positioned at prime scuff-points on wall, preventing costly maintenance from wear and tear over time.
